

LIONPLY™ DÉCOR PANELS

From Western Canada's premier wood products supplier comes LIONPLY™ DÉCOR PANELS.

Sourced directly from superior mills in China, Formations LIONPLY™ DÉCOR PANELS simply *exceed* your expectations of laminated import panels.

LIONPLY™ DÉCOR PANELS are laminated panels that consist of high quality decorative HPL (High Pressure Laminate) faces.

Standard substrate is our stable LIONPLY™ poplar core. Other substrate choices are available upon request.

A variety of HPL patterns and colors are available to insure our LIONPLY™ DÉCOR PANELS meet the design requirements of your next project.

LIONPLY™ DÉCOR PANELS are E0 Emission, as well as CARB & TSCA VI compliant. FSC® certified panels can be ordered upon request.
