

ColorCore[®]2

COLOR THROUGH LAMINATES by FORMICA GROUP

STYLISH & VERSATILE

ColorCore[®]2 Laminate gets down to business when it comes to performance and versatility. This collection features the high performance characteristics of Formica[®] Laminates with the added dimensions of solid through color. ColorCore[®]2 eliminates the dark line associated with standard laminate and permits striking decorative effects such as engraving and routing.

FEATURES & BENEFITS

- * Sustainable & durable
- * Solid color through core
- * Scratch, wear and impact resistant
- * Easy to clean and maintain
- * Suited for interior horizontal or vertical applications
