PERFECT FROM ANY ANGLE by FORMICA GROUP

PERFECT FROM ANY ANGLE

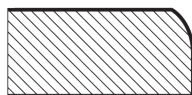

IdealEdge® by Formica Group offers decorative edges that bring a fresh look to laminate countertops, islands and table tops. What you see is a perfectly finished edge - and no more brown seam lines. Suitable for curved, clipped or 90-degree corners, IdealEdge® offers an easy way to add a smooth, clean finish to any laminate surface.

FEATURES & BENEFITS

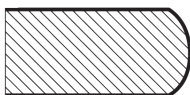

- * Eliminates the flat edges and brown seams traditionally associated with laminate
- * Available in most Formica® Laminate and 180fx® by Formica Group patterns
- * Offered in four unique profiles to mimic edges found on wood, stone, granite and quartz
- * Common applications include: countertops, islands, bar tops and tabletops
