### Bloomingdale's

Bloomingdale's designed custom silhouettes for their women's restroom doors. The artwork was then printed as Formica® Envision™ and laminated to the existing structure..

## University of Cincinnati Basketball Arena

Formica® Envision™

BE ORIGINAL ON THE ORIGINAL HIGH PRESSURE LAMINATE by FORMICA GROUP

University of Cincinnati furnished a basketball suite with two custom pieces of furniture made from Formica® Envision™. The buffet artwork tells a story of the history of the University of Cincinnati basketball program. The tall round table is shaped like a basketball and branded with the university athletic logo.

### The Lexington Hotel

For the Lexington Hotel renovation, the Cuban painter Ruben Toledo was hired to paint canvases for each floor of the hotel. Those canvases were hi-res scanned and blown up into large artwork. The artwork was then printed as Formica® Envision™ and used to create colorful elevator cabs.

### Smoothie King

Smoothie King designed a sheet of Formica® Envision™ for the front of their counter tops to enhance the branding of their customer experience. The logo was 'embossed' into the artwork - giving the appearance of dimension, on a non-dimensional surface.

## Sushi X

Sushi X teamed up with award-winning artist Joel Nakamura to transform their restaurant and create a focal point that was not only eye-catching but memorable. Nakamura painted a large canvas. That canvas was then high-res scanned and printed as Formica® Envision™. Formica® Envision™ was then fabricated into custom table tops to enhance the dining experience.
