Les solutions d'agencement 2025 de marque Formica®

Agencements offerts pour les Stratifiés de marque Formica®, Compact de marque Formica® et les panneaux HardStop® du Groupe Formica

For architects and designers who feel decor needs to be about more than just "looking good"... Formica Group provides surfaces that fuse beautiful design with purposeful functionality. Formica® Products provide versatile surfacing solutions that are inspired by and adapt to the way people live, work and play.

Formica® Coordinated Solutions offers the full spectrum of Formica® Brand colors and patterns in three distinct surfaces: High Pressure Laminate, HardStop®, and Compact. These offerings ensure the coordination of all surfaces throughout a project - exactly how you designed it.

Para los arquitectos y diseñadores que sienten la decoración como algo más que "verse bien", Formica Group proporciona superficies que fusionan hermosos diseños con funcionalidad. Los productos Formica® brindan soluciones versátiles en superficies que se inspiran en y se adaptan a la manera de vivir, trabajar y divertirse.

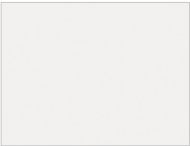

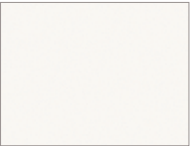

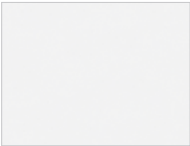

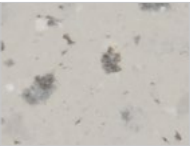

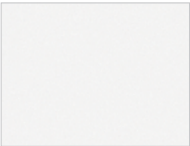

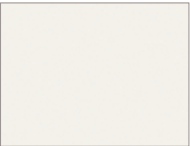

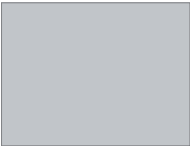

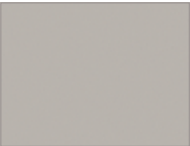

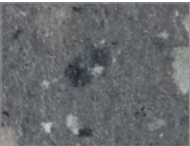

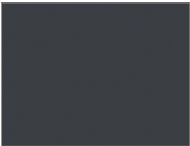

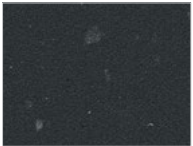

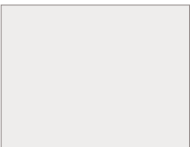

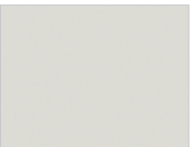

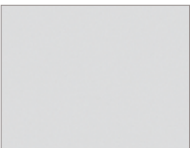

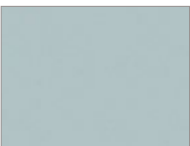

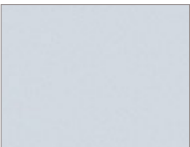

Las soluciones coordinadas de Formica® ofrecen el rango completo de colores y diseños HPL estándar de marca Formica® en tres distintas superficies: Laminado de alta presión HPL, HardStop® y Compacto Fenólico. Esta variedad de producto asegura la coordinación de todas las superficies dentro un mismo proyecto, exactamente como lo diseñaste.

Pour les architectes et les designers qui pensent que la déco ne se résume pas à une question d'apparence, le Groupe Formica crée des surfaces qui allient la beauté du design et la fonctionnalité. Les produits de marque Formica® offrent des solutions de revêtement polyvalentes, inspirées par les gens, et adaptées à la façon dont ils vivent, travaillent et se divertissent.

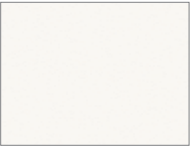

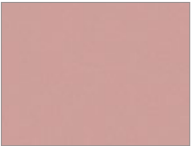

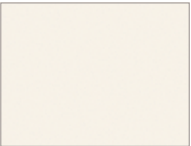

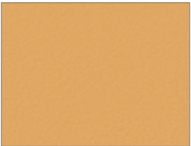

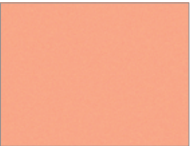

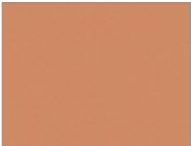

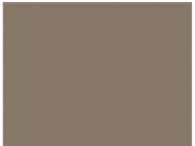

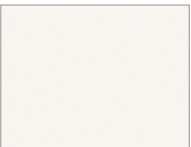

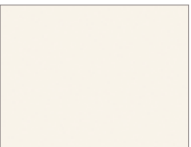

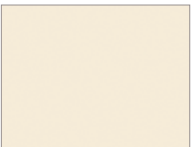

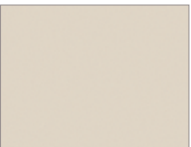

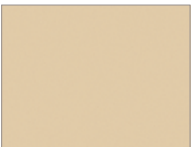

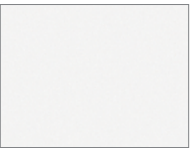

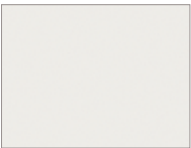

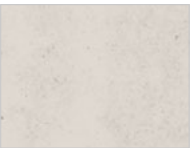

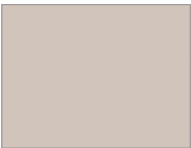

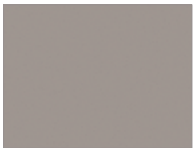

Les solutions d'agencement de marque Formica® sont offertes pour toute la gamme de couleurs et de motifs de marque Formica® de trois collections distinctes : les stratifiés haute pression, HardStop® et Compact de marque Formica®. Ces solutions assurent l'agencement de toutes les surfaces d'un projet – exactement comme vous l'avez conçu.
