

**POPLAR LIONPLY
LAMCORE PANELS**

18mm 48" x 96" B RC B Raw | HP-FSCM-001828

LIONPLY™ Birch panels offer options for any project — pre-sanded and finish-ready or topped with a unique UV-cured clear coat for enhanced durability. Both options feature a cabinet-grade appearance, making them ideal for high-end millwork, cabinetry, and furniture applications where aesthetic and performance go hand in hand.

Dependable Veneer Core

The heart of LIONPLY™ lies in its calibrated veneer core — built to reduce warping, voids, and inconsistencies. This stability makes it ideal for projects demanding durability and precision in both fabrication and long-term performance.
